January 2026 Activities and Programs

Weekly Board Games January 2nd, 2:00 pm - 4:00 pm

Bring your friends and family to the Senior Center every Friday and try a new board game, or play an old favorite. Games are available in the Activity Room and requests are accepted if we don't have the game you want. The Senior Center wants to be the place for friends and families to gather. We hope to bring a little bit of fun to your Friday afternoons. Come by from 2:00 - 4:00 pm to play games and have great conversations.

Kate's Cooking Class January 6th & 20th, 1:00 pm

On January 6, explore the tastes of France as you channel your inner Julia Child. You'll prepare a classic French vinaigrette over mixed greens and craft a comforting Potato Leek Soup (Vichyssoise for those feeling fancy). Then on January 20, enjoy a taste of the Southern U.S. with fluffy buttermilk biscuits and homemade sausage gravy, a quick, cozy, and endlessly satisfying dish perfect for breakfast, or any time of day.

Mason Jar Crafting Class January 12th, 10:00 am

Melanie Douglas will be back with another crafting class. The class is \$5.00 per person. The cost of the class will cover the cost of supplies for each person. This class will provide participants with the opportunity to design and make a few different crafts using mason jars. To participate in the class, please call 989-348-7123 to reserve your spot, since the class size is limited to 12 people.

Monthly Grief Support Group January 13th, 10:00 am

This grief support group offers a private and compassionate space for individuals who are currently grieving, as well as those who have experienced loss in the past. Open exclusively to those who have lost a loved one through death, the group provides both emotional support and educational guidance. Sessions will be held once a month on the second Tuesday and will last 90 minutes.

Blood Drive January 14th, 1:00 pm - 3:00 pm

Kick off the New Year with a donation to the Versiti Blood Bank. Donating blood is vital because small hospitals often have limited supplies and rely on donations. Each donation helps ensure that patients in our community don't have to wait for life-saving blood to be transported from larger cities.

Write Your Own Story Starts January 14th, 12:30 pm

Do you remember a lot of interesting things about your life? And would you like your kids and grandkids to know about it? A class about writing your memoirs is going to be held here at the Senior Center, taught by Cathy Lester, an accomplished writer who enjoys guiding others in the writing process. This class will meet weekly through March.

Winter Picnic Special Dinner January 15th, 4:00 pm - 6:00 pm

Don't let the winter blues get you down, come out and enjoy the feeling of summer in January. The Winter Picnic Special Dinner will feature BBQ Ribs, Potato Salad, Coleslaw, and Lemon Bars. The door prize this month is a Retro Toaster donated by the Haag Family. Dinner is a suggested donation of \$4.00 for those over 60, and a cost of \$8.00 for those under 60.
